Monthly and Ever-blooming Tea Roses.
Ready for Delivery After Nov. 1st.

**CREAM OF NEW ROSES.**

We here offer what is good in the new Tea and Hybrid Tea Roses. To have what is good you must try these Roses. They are the best that England, France, Luxemburg, Germany, Italy, Ireland, Holland, and America can produce.

American Beauty—Good, strong grower, free bloomer; color rich rosy-crimson, very handsome; two-year-old plants, 75c each.

Columbia (H. T.)—This is a new American Rose, grown by the veteran rosarian E. G. Hill, in a very vigorous grower of a true pink shade, deepening as it opens to glowing pink. A peculiarity of this variety is that the shades all become more intense until the full maturity of the open flower is reached, and this color is enduring. Two-year plants, 75c each.

Double White Killarney—Pure white sport from White Killarney; has much larger buds; 2 years, 75c each.

Double Pink Killarney—The Killarney that will supersede the Killarney now grown. Awarded certificates of merit by the American Rose Society. 2 years, 75c each.

Franz Karl Druschi (The White American Beauty or Snow Queen)—An everywhere hardly, vigorous grower, with bright green leaves delicately veined; splendid long buds and magnificent snow white blooms with large saucer-shaped petals. Richly named. Two-year plants, 75c each.

Los Angeles (H. T.)—The following is the originator’s description, all of which we fully indorse: “Los Angeles is, by all odds, one of the finest Roses ever introduced. The growth is very vigorous, and produces a continuous succession of long-stemmed flowers of a luminous flame-pink, toned with coral and shaded with translucent gold at the base of the petals. In richness of fragrance it equals in intensity the finest Marsechil Niel. The buds are long and pointed, and expand into a flower of mammoth proportions, while the beauty of form and ever-increasing beauty is maintained from the incipient bud until the last petal drops.” Two-year plants, $1.00 each.

Lady Alice Stanley—The petals are shell shaped forming a perfect flower. Outside of petals is a deep coral-rose; inside delicate flesh, often flushed and suffused with bright pink. Without doubt a magnificent rose. Awarded gold medal. Two-year plants, 75c each.

Mrs. Henry Winnett (H. T.)—A new Canadian Rose that is a winner, this Rose having secured the prize over all new red Roses at the Cleveland show. This is probably the best red Rose to date. Long strong stems of a rich bright shade of crimson. It is a color that pleases every woman. Two-year plants, 75c.

Mrs. Chas. Russell—Pink American Beauty, enormous in size, which lines into beautiful shape in flower, stem, and foliage. 2-year plants, 75c.

Richmond—Color fine red. Produces freely throughout the season long pointed buds and elegant dark foliage. Has as delicious a fragrance as American Beauty. Was awarded the silver cup at the World’s Fair for the best seedling. Two-year plants, 75c.

Sunburst—A magnificent giant yellow rose, well adapted for outdoor growing, being a vigorous and healthy rose. Buds long and pointed, borne singly on long, stout stems, opening flat and double. The color is superb orange copper or golden orange, with a deep orange center. It has proven invaluable for bedding and garden purposes. This rose creates a sensation wherever grown. 2-year plants, 75c each.

**SELECT, NEW, RARE AND SCARCE ROSES.**

**PRICES—** Strong 2-year-old Plants 50c each; $5.50 per dozen.

Augustine GuinolosJean (White La France)—Sport from La France, identical in habit, form, and vigor, but in color it is a delicate blush.

Besse Brown—A rose of transcendental beauty, and one of the largest and fullest we have ever seen; color pure white, sometimes faintly flushed pink; petals enormous, shell shape.

Blumenshmidt—Pure citron-yellow, outer petals dinged tender rose. A sport from Mad. Franconia Krager.

Bon Silene—This splendid old variety still holds its own against many of the new sorts. Noted for its buds; color rosy-carmine, shaded salmon; sweet and beautiful.

Bridesmaid—A fine, clear, dark pink.

Burbank—A free-blooming everbearing rose, raised by Mr. Luther Burbank, known the world over as the “Wizard of Horticulture.” The only rose which he was willing to bear his name. Color deep pink.
Bride—White with delicate flush on outer petals; very beautiful in bud or open flowers; immense, profuse bloom.

Champion of the World (Mrs. DeGray)—This rose has all the good qualities of an ever-blooming. Color deep pink.

Catherine Mermet—Bright flesh color, full and glossy, fine scent.

Cornelia Cook—This beautiful rose is in great demand for its magnificent buds, which are large, perfect and pure white.

Devoniensis (Magnolia Rose)—A most beautiful rose, with a cluster-like white petal, the tips and inner surface delicately flushed with rose, delightfully sweet.

Duchess of Devon—Soft rose pink, good bloomer. A general favorite.

Dean Hole—An intense salmon-pink, with bud of extraordinary length opening into a manuboom rose; color brilliant, splendidly flushed.

Duchess of Albany—A sport from La France, retaining all of the characteristics of the type, with buds of four to five flowers, four shades darker.

Etoile de France—The Golden Metal Rose of France, and claimed by the raiser, J. Permet Ducher, of Lyons, France, to be the finest rose he has ever seen, believing it is the first that it has no superior. The flowers are very large and borne on good, long, stiff stems; color a lovely shade of clear crimson violet; very fragrant.

Edward Mawley—By its marvelous outstanding qualities is now regarded by rosarians as the greatest exhibition rose of the season. Earliest rose yet raised. Finest of all dark Crimson Roses.

Etoile de Lyon—Beautiful chrome yellow, deepening at center to pure golden yellow.

Etoile de Lyon—A very choice and beautifully bedded variety. The blooms are large and full. Color deep cream, washed over with bright rose, producing a luminous effect which is very attractive.

Florence Pemberton—Creamy white, suffused pink; large, full, perfect in form, with very high polychrome center.

F. R. Patzer—A most beautiful and distinct rose of very free flowering character. The color is cream-buff, back of petals delicate warm apricot with touches of golden canary. Very fragrant. Does not bloom profusely.

General Superior Arnold Jansen—A fine new rose. Color a deep, glowing rose of brightest crimson, large, of largest size, full and fragrant. Does not bloom profusely.

Gruss an Teplitz—A short pointed bud of the largest size, color is bright cherry crimson; stems are stiff and long; a vigorous grower and free bloomer.

Helen Carnaby—A sport from Lyon, one of the greatest of recent years. The bud is long and pointed, opening into an enormous flower; color under yellow, which is fully expanded, when it is as impressive as an American Beauty.

Helen Shawer—Color is a lovely bright pink. Has all the marks of a true breeder.

Madison—A greatly improved Bride, and when we say improved we mean a genuine improve- ment. A canary or yellow with touches of medium pink. Madison is the foliage does not mildew. After being well established, Madison will out as many flowers as Killarney, the first white rose of the season, and does it all the year through.

Mme. Segond Weber—Rose salmon, one of the greatest novelties of recent years; the bud is long and pointed, opening into an enormous flower. Color under yellow, which is fully expanded, when it is as impressive as an American Beauty.

Mrs. George Shawer—Color is a lovely bright pink. Has all the marks of a true breeder.

Mrs. Jules D. Houtte—White, large and pointed. One of the largest sizes, color is clear, intense, and pure white; flowers very fragrant and profuse. Has the reputation of being the richest and most valuable white rose ever introduced.

Mrs. Florence H. Arnold—Color is a lovely dark rose. Winner of gold cup offered by the London Daily Mail, for the best new rose, exhibited at the International Horticultural Exposition, London, England, in 1912, to be known as the Daily Mail Rose. In competition with the world's greatest rosarians, this much coveted prize was awarded to M. Jeanet Duperouze, of this city. Winner of gold medal at the Exhibition of the National Rose Society of England, it was awarded the Society's gold medal for the most beautiful rose in the world, and the following description of "Teas;" "Buds dark-red, shaded with yellow at the base, the open flowers of medium size, semi-double, are of a superb crimson-red, shaded with yellow and bright rose-scarlet, passing to tinsel-red. A wonderful rose. The buds are long, slender and pointed, the color is like sunshine on a cup of gold.

Monsieur Jenny Guillermou—Deep saffron-yellow, opening canary with dark golden shading; very long and pointed; petals and blooms very fragrant.

Mrs. Phileas Fogg—Color is very beautiful and upright grower; profuse. Deep rose pink, the inner side of the petals being of silver rose.

Mrs. E. Beeler—Very large flower full and very large. Color; deep red, splendid; delightfully colored; a fine flowering rose; color deep rose.

Jules Fongue—Extra-large and finely formed flowers; full and fragrant. Color rose scarlet, beautifully shaded with crimson.

Killarney—A splendid new rose, beautiful pointed buds and extra large flowers; bright coral pink, very fragrant and beautiful.

Kaiserin Augusta Victoria—A vigorous grower, very large and very double. Color creamy white, very fragrant.

La France—The oldest and best of the Hybrid Teas; delicately fragrant; very large, full and pointed. Color true coral pink.

Lucullus (The Black Rose)—Splendid, large, rich crimson; color crimson rose, large and double and a constant and profuse bloomer.

Lady Alice Stanley—The petals are shell shaped, forming a perfect flower. Outside of petals is a rich dark wine, inside of petals often flushed and suffused with bright pink. Without doubt a magnificent rose. Awarded gold medal.

Lady Ashdown—Deep rose, shading to silvery-pink, with touches of yellow at base of the petals; large, full and fine form, free and constant. A Camellia flower rose much prized in England.

La Detroit—The color is shell pink, shaded soft rose, the outer petals cream color, with fragrance like box Silec.

Lemon Queen—A sport from long pointed buds of the largest size, color is bright cherry crimson; stems are stiff and long; a vigorous grower and free bloomer.

Lady Hillingdon—A long slender pointed bud of brilliant, deep apricot-yellow, very free flowering and a good grower; a very striking decision color and a very medium flower.

La France—One of the largest sizes, color is bright cherry crimson; stems are stiff and long; a vigorous grower and free bloomer.

Mme. Segond Weber—Rose salmon, one of the greatest novelties of recent years; the bud is long and pointed, opening into an enormous flower. Color under yellow, which is fully expanded, when it is as impressive as an American Beauty.

Mrs. George Shawer—Color is a lovely bright pink. Has all the marks of a true breeder.

Madison—A greatly improved Bride, and when we say improved we mean a genuine improve-ment. A canary or yellow with touches of medium pink. Madison is the foliage does not mildew. After being well established, Madison will out as many flowers as Killarney, the first white rose of the season, and does it all the year through.
Mrs. Andrew Carnegie—This rose is an epoch-making kind. At the stand where Mrs. Andrew Carnegie was shown there was a big crowd around it, and when the show was over, Paul Wooten, yellow at base of petals, shading to pure white, won the gold medal N. R. S.

Athena Leon Rain—Robust growth; flowers large, cup-shaped, center, orange-yellow, reverse side bright red and yellow, bearing a great profusion or exceedingly large blooms.

Mad. Caroline Testout—A charming variety of the La France type; flowers large and double; color bright satiny pink with rose center; strong growth; very large, velvety, fragrant.

Mad. Francisca Kruge—Deep yellow, sometimes rich and glowing, and at other times dark, with markings of copper and rose, large and double.

Mad. de Vatry—One of the very best and most satisfactory roses for general planting. It makes big clear rose and opens well, showing to great advantage. The color is a rich crimson-scarlet.

Mad. Camille—Delicate rosy-flush, changing to salmon rose, immense double buds.

Mesilla (Yellow Soupiet)—This is really an elegant rose. The center is a deep orange yellow, shading to lighter lemon-yellow on edge of petals. It is a remarkably fine bloomer.

Mad. Angelique Veysset (Striped La France)—Identical in all regards with its parent, La France; except it is much stronger in growth and flowering. Flowers are beautifully striped and shaded with a delicate white.

Mad. Lambert—A first-class rose; extra full flower, double; beautiful rose color; tinged salmon and buff; buds and reverse of petals crimson.

Lady Jean Dupuy—A lofty high-class rose; color fine creamy pink with golden center; outer petals edged with red; a constant and abundant bloomer; almost thornless.

Mad. de Guimot—A good one of the standard varieties of Tea Roses; splendid for any use; especially desirable for summer rose beds; color pure white.

Mrs. Aaron Ward—Copper-orange in the open; buds, golden; flowers single; a real showy, flowery, fine-shawled of lovely shade when fully open, when it looks like a full fluffy-silk rossette. Color effect of the whole flower is Indian yellow.

Mad. R. Cant—A splendid garden rose, solid even color; clear, bright rose pink; large size, perfectly double and full; heavy bloomer, partitions nicely in the full, and is a clean, handsome grower.

Mrs. Foley Hobbs—This is a veritable giant among Tea Roses. The huge flat-shaped petals are of a pure white, very distinct; color delicate ivory-white, faintly tinged pink on the edges of petals.

The story of When Daphne was sent out on its mission of rose beauty to enhance the world, there was placed a tablet in the hall of rose fame to Wm. Paul & Son that will grow brighter with the flight of time. Salmon-flush, shaded clear apricot, very large, velvety, fragrant; of one excellent habit, the flowers standing up well on long, stiff stems and produced in great profusion.

Princesse Anglerte Cahirles d'Arenberg—Brilliant yellow, double, very large and massive, of perfect form; vigorous in growth. A decidedly good rose.

Rainbow—One of the most fashionable roses, similar to the old Bon Silene, but larger, more double and richer in color.

Queen Scarlet—A constant and profuse bloomer; extremely strong, velvety, fragrant.

Radiance—A splendid and popular rose; deep pink in color will produce three-feet breaks of large flowers, most mildew-proof, and wonderfully fine rose.

Rhea Reid—Flowers large and double; very free blooming and exquisitely fragrant; rich dark, velvety red. The best of all red garden roses to date.

Souvenir de Pierre Notting—This variety is a seedling of M. Nieol and Maman Cochet with a long beautiful set foliage. Bloom is very large, perfectly full, of elegant form, and has the colors very bright, distinct and clear, and have no unpleasant tones; orange-yellow bordered in carmine-rose.

Souv. de Jean Cabanet—One of the greatest roses ever offered; extra large, full and double; color red, shaded in coppery-yellow; center apricot and carmine.

Souv. de President Carnot—This is an ideal rose, very strong, vigorous growth with long-stemmed, large flower, great beauty of bloom.

A grand garden rose. Color light pink; edge of petals, flesh color. Superb—Bright apricot yellow, tinged with rose; valued for its beautiful buds.

Triumph de Permet Pero—Flowers extra large, fragrant, thick petals; color fine bright red.

The very finest A. G. vigorous grower, and very sweet; pure white.

William Sheep—Purist pink, petals shell-pink on the edge; very fragrant; flowers of immense size and substance of perfect form; free blooming and distinct.

Wellesley—Bright, clear, salmon-rose, reverse of salmon-rose.

William E. Smith—Creamy-white with shades of pink; a seedling from Maman Cochet and Wooten Son of Victoria. Beautiful in form and color; glossy foliage; long stiff stem; vigorous growth; a superb summer bedding.

White Maman Cochet—Identical with Maman Cochet; the color is white; very desirable Best white rose grown.

White Kilburny—An offspring of the famous pink Kilburny described above; identical with it except that the flowers are pure white.

EVER-BLOOMING CARRYING ROSES.

Strong Two-year-old Plants, 50c each; $5.50 per dozen.

Climbing Marie Guilhot—Of a semi-climbing habit, and is identical in bloom with Marie Guilhot, the most popular, most beautiful and most desirable climbing rose known. Color delicate creamy-white; strong growth, very abundant. Rose is of the highest quality, free from any disease.

Climbing Meteor—A rich, velvety-crimson; very bright and striking; a continuous and profuse bloomer; very sweet.

Climbing Mad. C. Testout—An exact counterpart of C. Testout, except that it is a very vigorous grower.

Climbing White Maman Cochet—If there is one rose that stands out in the affections of the people more than another it is White Maman Cochet. Here we have a climbing form that will become a propagating interest without a doubt. It has as a bush rose. Grand, large white flowers.

Climbing Maimonis—A climbing form of the very favorite; very valuable on account of its color.

Climbing Wooten—A climbing variety of this fine red rose that is bound to be very popular. A strong, rapid grower, thriving up long, thick stems and bearing large clusters of true Wootens.

Dorthy Perkins—Flowers are borne in large clusters, are very double, with prettily crinkled petals; beautiful clear shell-pink in color, lasting a long time without fading.

Double Cherokee or Leavittia—A beautiful hardy rose, bearing double white flowers; very free blooming.

Climbing Maman Cochet—No rose we grow is so popular as Maman Cochet. Here we have an exact counterpart of that popular variety, except that it is a vigorous climber. All will welcome this rose in their rose gardens.

Climbing American Beauty—A seedling from American Beauty with Wichuranna and Tea blood in its veins. Same color, size and fragrance as American Beauty, with the addition of the marvelous Teas. Perfect foliage, and better blooming qualities.

Climbing Kaiserin, or Mrs. Robert Peary—A very remarkable rose of recent introduction. An offspring of that grand variety Kaiserin Augusta Victoria.

Dr. W. Van Fleet—Flowers when open run four inches and over in diameter. The color is a remarkable shade of deep pink on the outer surface, deepening to rose-flush in the center. The flowers are full and double, of delicate perfume; buds pointed.

Gardening (The Hardy Marechal Nié)—This grand rose has proven itself hardly in Virginia and Tennessee. It is a deep golden-yellow of the largest size.
HYBRID PERPETUAL ROSES.

Strong Two-year-old Plants, 50c each; $5.50 per dozen.

Early White French Roman Hyacinths.

We have received word from our growers in France, first as this list was ready to go to press, that will be unable to send us any White Roman Hyacinths this season, being unable to secure a permit to export. We would suggest the Dutch Roman Hyacinths and Freesias to take their place.

Dutch Roman Hyacinths.

We support fine, big buls of named varieties only, as these will be found far superior to the unnamed sorts offered at low prices.
